Swedish cool luxury: where to buy?

People say there is a crisis, but does that stop you taking care of yourself? Of course not! Better one Swedish luxurious quality product in your hand, than 10 cheap 'throw away' items in the air. If you stick to that motto you will be happy both buying and then wearing your designer item for years to come. So crisis or no crisis: always make sure you buy the best product, in the nicest shops.

As you know, sales and PR agency Are you Swedish? makes it easy for you, by bringing the hottest high end Swedish designer labels to the Benelux. Since Are you Swedish? started one and a half years ago, the most fantastic stores have bought the hot top labels Dagmar, Camilla Norrback, Erica Laurell, Gram shoes, David & Martin jewellery, The Swedish Model bags and - the latest discovery and hot as hell in Sweden - Void watches.

Please go to <http://www.areyouswedish.com/sales.html> to see where you can buy the brands, get to know all about the labels, see the latest collections, read all the press that appeared and then hop out for a shopping trip to those great shops mentioned.

To get you in the mood, please find below some snapshots from the autumn/winter collections of Dagmar, Camilla Norrback, Erica Laurell, Gram, David & Martin, The Swedish Model and Void.

Go on and treat yourself!
