

T S M THE SWEDISH MODEL

For spring/summer '10 T S M The Swedish Model has developed yet another strong range of durable and functional bags in exclusive materials.

Function is paramount, as is understated sophistication. All bags contain the perfect combination of aesthetics and functionalism. Humour, sophisticated colour and an ironic twist or detail are signature marks of T S M The Swedish Model. Inside all bags you find a stylish, artistic lining designed by multitalented designer Martin Bergstrom.

The must have:

The expandable BALLOON
The cosmopolitan REPORTER
The sumptuous BANANA SPLIT

The newest silk scarf designed by Martin Bergstrom suits perfectly around your neck when it gets chilly at night.

The Swedish Model look will take you from the most uptown eaterie to the hippest nightspot.
